PROFESSIONAL EXPERIENCE

Berkeley Institute for the Future of Young Americans
Graduate Student Researcher

Berkeley, CA
September 2016 – Current

- Research changing prevalence of mental health disorders in the United States over time.
- Evaluate economic burden and costs associated with generalized anxiety disorder among young adults.
- Examine state budgeting issues that impact investment in future generations and conduct fiscal analysis of ballot propositions.

Urban Leaders Fellowship
Education Policy Fellow

Oakland, CA
June 2017 – August 2017

- Presented solutions to collect and house student-level academic and qualitative data to track outcomes of Mayor's Oakland Promise (OP) initiative.
- Established quantitative framework for OP to measure its Social Return on Investment.
- Analyzed major levers and results from nationwide school turnaround and innovation zone efforts to assess future opportunities and challenges for school improvement in Oakland.

San Francisco Planning Department
Equity Analysis Consultant

San Francisco, CA
January 2017 – May 2017

- Evaluated socioeconomic and housing market indicators that contribute to or prevent displacement of low-income households in San Francisco.
- Aggregated and analyzed data to create indices to determine relative displacement-risk across neighborhoods.
- Mapped neighborhoods onto displacement-risk typologies based on socioeconomic and housing landscape.

California Common Cause
Operations Manager

Los Angeles, CA
December 2013 – July 2016

- Managed organizational operations including internal team communications, online communications, membership development, event outreach, direct mail appeals, conference planning, and office administration.
- Supported staff of eight and board of 15 directors on grassroots democracy reform campaigns and legislation.
- Institutionalized and led Young Activist Program, which went from serving dozens to 200+ students in 2 years.
- Supervised undergraduate interns who supported research and campaigns.
